

## **Moriba Jah**

**Co-Founder and Chief Scientist, GaiaVerse; Professor, University of Texas at Austin; MacArthur Fellow**

Moriba Jah is Co-Founder and Chief Scientist of GaiaVerse and Privateer, and Professor of Aerospace Engineering at the University of Texas at Austin, where he directs the Jah Decision Intelligence Group (JDIG). A MacArthur Fellow and Fellow of the Royal Society of Edinburgh, he is a leading astrodynamicist and space environmentalist.

Through GaiaVerse and JDIG, Jah advances agentic AI and knowledge graphs for planetary decision intelligence, integrating Indigenous wisdom, sustainability, and social justice. His mission is to restore humanity to sacred coherence through empathetic remembrance, ensuring that Earth and orbit are governed as regenerative and just commons for future generations.
