

ITU News is available in six languages!

You can read about global issues in telecommunications and information technologies in Arabic, Chinese, English, French, Russian and Spanish.

The standard subscription order period is twelve months and covers ten issues of the Magazine.

Existing subscriptions will continue as arranged, but you can change the language editions you currently receive by completing this form.

Subscription rates

Non-members of ITU (individuals or organizations): CHF 100.

Member States and Sector Members of ITU can receive a total of five free copies of each issue of the Magazine, in any combination of languages. Subscriptions for additional copies for members are charged at the discounted rate of CHF 85 per year.

Least developed countries (LDC): CHF 20.

Single copies (of back and current issues): CHF 10.
