Around 100 onsite participants and more than 50 remote participants were present during this meeting.

Highlights of the Contributions made during the meeting:

Organization	Contribution Made
INTEL (WSIS Forum 2013: Strategic Partner –Private Sector)	<ul style="list-style-type: none"> • Proud to be the Strategic Partner, Private Sector of the WSIS Forum 2013. • Intel is strongly committed to ITU’s goal of connecting people. • WSIS Forum is a unique global event where all the different stakeholders can network, learn and share. • WSIS Forum has proven to be a good networking platform for the Private Sector. • Intel looks forward to ICT trends emerging in WSIS Forum 2013 with the focus on Citizens. • Shared some INTEL programmes like,

	<p>reaching the 3rd billion programme, inspired by prepaid broadband</p> <ul style="list-style-type: none"> • Intel actively contributes to most of the WSIS Action lines • Intel believes that the WSIS Forum 2013 will foster the implementation of MDGs
<p>Action Line C2 (ITU)</p>	<ul style="list-style-type: none"> • Thanked all stakeholders for their contributions to the WSIS Forum activities, especially to AL-C2. • For the next WSIS Forum 2013, as done in previous years, AL-C2 would like to take ideas and concerns of all Stakeholders into account. • Look forward to receiving ideas on the thematic aspects of C2 from the WSIS Forum 2013 Open Consultation process. • For an example, in the last AL-C2 meeting in WSIS forum 2012, we heard voices from the civil society that “Broadband Backbone” is a large issue that should be discussed.
<p>Action Line C5 (ITU)</p>	<ul style="list-style-type: none"> • ITU has been addressing the various elements of the Action line C5 with stakeholders • One of the good outcomes of the WSIS Forum 2012 was the emerging trends document • AL C5 will build upon the result of the Emerging Trends document • Look forward to the submissions to harmonise and streamline the submissions into the planning of the AL C5 meeting at WSIS Forum 2013
<p>Action Line C6 (ITU)</p>	<ul style="list-style-type: none"> • Promote creation of an enabling environment for ICT development and extend the benefit to all the world’s habitants • Look for positive synergies amongst stakeholders in implementing the WSIS Goals. • Action line C6 Facilitation meeting will be organized as an interactive meeting, will include representatives of different

	<p>stakeholders.</p> <ul style="list-style-type: none"> • Focus will range from creating an enabling environment to National Broadband Strategies • Guided by the expectation of all stakeholders on the theme and format of the meeting.
<p>Action Line C7: e-agriculture (FAO)</p>	<ul style="list-style-type: none"> • Works at the global and national level with the e agriculture community to identify issues of importance in the area. • With reference to the e agriculture facilitation meeting during WSIS Forum 2013, we welcome suggestions from stakeholders for themes. • FAO and its partners have identified some gaps, particularly, on policy on critical content and its transfer through mobile networks. • Availability and accessibility are two important aspects with reference to this. • FAO would like to encourage all stakeholders to share their programmes through E Agriculture Community and the WSIS Stocktaking.
<p>Action Line C7: e-environment (WMO, UNEP)</p>	<p>WMO</p> <ul style="list-style-type: none"> • Await inputs from stakeholders and are coordinating their plan/strategy for the AL Facilitation meeting. • WMO could contribute to e-science and data rescue. <p>UNEP</p> <p>Some important topics for UNEP are:</p> <ul style="list-style-type: none"> • Green Economy • E Waste

<p>Action Line C7: e-business (UNCTAD, ITC,UPU)</p>	<ul style="list-style-type: none"> • In terms of emerging trends from WSIS Forum 2012 , ICT and ICT enabled services • Hope to make some progress in this area in the next few years • Making efforts to explore measurement and data on ICT and ICT enabled services
<p style="text-align: center;">UNESCO</p> <p style="text-align: center;">Action Lines :</p> <p>C3 Access to Information and Knowledge C7 ICT Application</p> <ul style="list-style-type: none"> • e- Learning • e- science <p>C8 Culture C9 Media C10 Ethical Dimensions</p>	<ul style="list-style-type: none"> • Difference between WSIS Forum 2013 and UNESCO Event in February • WSIS Forum 2013 (13-17 May) is an annual event and focusses on the Implementation of the WSIS Outcomes , • UNESCO Event in February 2013: The meeting was the result of the decision made during UNESCOs General Assembly- the meeting will discuss implementation of 6 different UNESCO action lines • 2013 UNESCO event will have a Sustainable development element. • At present we would like to get inputs from Stakeholders and will build the programme from the inputs received during the Open Consultation Process.
<p>Partnership on Measuring ICT for Development (ITU)</p>	<ul style="list-style-type: none"> • Conducting a meta data survey on measuring the WSIS Targets. • Questionnaire on meta data will be sent out by the regional commissions. • Data collection will take place in 2013. • WSIS Forum 2013, Partnership will organize a session on the progress made on monitoring the WSIS Outcomes • Topic of the Workshop not confirmed yet • Final Quantitative approach on the WSIS Targets will be produced by Partnership.
<p>Algeria</p>	<ul style="list-style-type: none"> • Format of the Forum could be adjusted to make sure that participants can attend all the workshops and sessions. • Shortening the duration Opening Session • Cyber Security could be the topic of the

	<p>Ministerial round table</p> <ul style="list-style-type: none"> • Suggested High-Level Dialogue topics: <ul style="list-style-type: none"> ○ Role of ITU on the post 2015 development agenda and to include ICTs as one of the new Development Goals. ○ Digital Divide • Thematic Workshops: <ul style="list-style-type: none"> ○ Illicit use of ICTs ○ Role of ICT in Water Management AL C7 ○ Mastering ICTs ○ Ecosystem of Mobile Applications ○ Algeria interested in Showcasing Projects • Country Exhibition Stand
<p>Civil Society , Cameroon</p>	<ul style="list-style-type: none"> • Request for Exhibition Space at the WSIS Forum 2013 • The exhibition will focus on the regional aspects of each African region • Focus should be on Implementation during the WSIS Forum 2013
<p>Remote Participant: Information Technology Authority (ITA) , Sultanate of Oman</p>	<ul style="list-style-type: none"> • Oman is closely following the WSIS Action Plan and committed to achieve the targets. • The date of this meeting is Friday which is a weekend over here and in most surrounding countries; we wish to consider this in the future meetings. • Innovation on the format is essential to ensure that all the participants are able to attend all the important sessions and workshops. • The programme should be developed in an interesting format keeping in mind the duration of the event, which could be reduced if needed. • Innovations on the evaluation process for the WSIS Project Prizes should be explored, this will give the prize real competition.
<p>The Conference of NGOs with Consultative relationship with the United Nations (CoNGO)</p>	<ul style="list-style-type: none"> • WSIS Forum Open Consultation Process has proven to be a very inclusive format • Suggested topic: ICT Services as a Human Rights • Increased Civil Society Participation in WSIS

	Forum 2013
Remote Participant: IFIP, Australia	<ul style="list-style-type: none"> • WSIS Forum 2012 was challenging and stimulating and hence IFIP would like to participate in WSIS Forum 2013 • Suggested topic: Partnership in developing professionalism amongst those developing creative tools for software development • Need to ensure that all partners are aware of the need to develop frameworks.
Mr Fullsack, Civil Society	<ul style="list-style-type: none"> • Innovative format of the Opening Segment could be explored • Dialogues at WSIS Forum 2013 could focus at a regional level - specific to Africa • In line with the MDGs and RIO +20 • Suggested Topics: Energy and ICT
CIVICUS,	<ul style="list-style-type: none"> • We need to get the post Rio process, post 2015 process and WSIS process together. • Ensure civil society participation in these processes.
David Allen , USA	<ul style="list-style-type: none"> • Suggested topics: <ul style="list-style-type: none"> ○ Internet Governance ○ Emerging Technology Trends • Important to create a community, and encourage a dialogue
Parallel Meeting During WSIS Forum 2013 5th WTPF 2013 (ITU)	<ul style="list-style-type: none"> • WTPF 2013 Collocated with the WSIS Forum 2013 • Dates: 14-16 May 2013 • Location :CICG, Geneva • Strategic Dialogue will be held on 13th May
Parallel Meeting During WSIS Forum 2013 IGF (Secretariat)	<ul style="list-style-type: none"> • During WSIS Forum 2013 the Second Round of Open Consultation will be held • MAG Members meeting will be held from 15-17 May • Preparatory Process of the 8th Annual Meeting of the IGF

ICV Volunteers, Geneva	<ul style="list-style-type: none">• ImeetatWSIS www.wsis.org/imeet• Explore innovative ways of conducting sessions, engaging all participants in the room
