**WSIS+10 High-Level Event Multistakeholder Preparatory Platform (WSIS+10 MPP):
Invitation to an Additional Meeting of the Open Consultation Process**

Dear Sir/Madam,

It is my great honour to invite you to an additional meeting of the WSIS+10 MPP scheduled to be held on the 9th June 2014, from 14:00 – 18:00 in CICG, Room One.

The WSIS+10 preparatory process is an open and inclusive process, providing a platform for consultation among all WSIS Stakeholders (governments, private sector, civil society, international organizations and relevant regional organizations). The WSIS+10 MPP aims at developing multistakeholder consensus on two draft Outcome Documents. The draft Outcome Documents, to be developed during the open consultation process and submitted for endorsement by the WSIS+10 High-Level Event, are:

- Draft WSIS+10 Statement on Implementation of WSIS Outcomes
- Draft WSIS +10 Vision for WSIS Beyond 2015

The Open Consultation Process for the WSIS+10 High-Level Event held five physical meetings and online consultations. The fifth physical meeting was held on 28-31 May 2014 and its outcomes have been made available at www.wsis.org/review. With the aim of developing final consensus on the draft Outcome Documents an additional meeting of the WSIS+10 MPP will be held on Monday, 9 June 2014.

Please note that the meeting is open to all participants of the WSIS+10 High Level Event, therefore all stakeholders are requested to register for the Event at www.wsis.org/forum.

On behalf of ITU, UNESCO, UNCTAD and UNDP, I am pleased to invite you to contribute to the Open Consultation Process of the WSIS+10 High-Level Event. We look forward to your active and enthusiastic engagement in the preparatory process.

Further information on the preparatory process and the WSIS+10 High-Level Event is available at www.wsis.org/review and www.wsis.org/forum.

Yours faithfully,

Dr Hamadoun I. Touré
ITU Secretary-General
