Subject: **Invitation to the Capacity Building Workshop on Regulatory Auditing and Cost Modelling in Sub-Saharan Africa for Portuguese Speaking Countries, 6-10 May 2013, Praia, Cape Verde**

Dear Sir/Madam,

The International Telecommunication Union (ITU), in collaboration with Agência Nacional das Comunicações (ANAC), is pleased to invite you to the workshop on **“Regulatory Auditing and Cost Modeling in Sub-Saharan Africa”** organised under the ITU/HIPSSA Project and hosted by the regulatory body of Cape Verde.

The objective of this workshop is to train relevant people on regulatory auditing and cost modelling in delivery of services in communications by ensuring the understanding of price regulation and market analysis in the context of the competitive provision of electronic communications services. Due to the importance of this workshop, the participants are requested to have decision making position in their respective organisations and have the knowhow of cost modelling in their day to day work.

In order to ensure that participants are able to benefit fully from the materials developed this workshop will be held in Portuguese only.

Information on registration, draft agenda and work program, fellowship form and the documents of the workshop can be found on the following HIPSSA website:
