

CV

Mario Paes is a registered Professional Engineer with the Engineering Council of South Africa. He has B.Sc. Eng. (Electronic) and M.B.A. degrees, both from the University of Natal, Durban, South Africa. His primary role and responsibility is that of Telkom's Wireless Strategist within the Technology and Strategy Integration section of Telkom South Africa. His wireless technology experience spans across all major wireless access technologies, especially WiMAX. Recently, he initiated and led a team that did a Proof-of-Concept, Request for Proposal and Evaluation of Fixed WiMAX equipment. His present technical focus is Fixed Mobile Convergence.

Mario is married to Paola and has two boys, Matthew and Marco.
