

Presentation Abstract: Dr. Tom O'Neill
Vice President, Business Development, Sub Sahara Africa
QUALCOMM International
toneill@qualcomm.com

Title: Roadmap and Standards for Continuing 3G Evolution

Bio

Dr. Tom O'Neill serves as vice president of QUALCOMM's business development activities in sub-saharan Africa and Pakistan, Afghanistan and the Commonwealth of Independent States (formerly republics in the Soviet Union).

Dr. O'Neill joined QUALCOMM in 1995, and until 2002, was responsible for development programs for integrated circuits within QUALCOMM CDMA Technologies. Prior to joining QUALCOMM, Dr. O'Neill was a director for US WEST Advanced Technologies in Boulder, Colo. Before US WEST, he was employed at several semiconductor companies, including TRW and firms in Silicon Valley.

Dr. O'Neill has a doctorate in semiconductor physics from Massachusetts Institute of Technology, and master's and bachelor's degrees from University of California-Berkeley, and University of California-San Diego, respectively.

QUALCOMM Incorporated (www.qualcomm.com) is a leader in developing and delivering innovative digital wireless communications products and services based on CDMA and other advanced technologies. Headquartered in San Diego, Calif., QUALCOMM is included in the S&P 500 Index and is a 2006 FORTUNE 500[®] company traded on The Nasdaq Stock Market[®] under the ticker symbol QCOM.
