

Profile

Name: **Ana Katalinic**

Age: 25

Sex: Female

Year of participation: Youth Forum World 2003

Country of origin: Croatia

Profession: Student

Ms. Ana Katalinic (Alumni of Youth Forum World 2003) graduated from Faculty of Electrical Engineering in Zagreb. She is currently working in Croatian Telecommunications Agency, Department for Microwave and Satellite System. She will start her postgraduate studies next semester.

Ms. Ana Katalinic first learnt about ITU-Telecom Youth Forum from her University. Confronted with such challenge, she was curious about this international event and eager to meet other fellows from all over the world.

Her participation in Youth Forum World 2003 gained her invaluable experience, which helped her studies in the past two years as well as her career in the future.

“Don’t miss this opportunity!!!” said Ms. Ana Katalinic. ***“Be active and try to contribute. That will be your chance to meet the world.”***
