Ms. Sophio Tvalavadze (Alumni of Youth Forum World 2003) is currently working as a Chief Specialist at the Department of IT and Communication for the Ministry of Economic Development of Georgia.

Ms. Sophio Tvalavadze learnt about ITU-Telecom Youth Forum from the regulatory body, Georgian National Communication Commission (GNCC) when she was studying at her university. With the desire to be involved in the process of the ICTs, not only in her country but also in the world, Ms. Sophio Tvalavadze applied for and had the chance to be selected to participate in 2003 World Youth Forum.

During her participation, she got the opportunity to meet the heads of world's leading organizations, listen to the speeches presented by them and share the experience with the fellows from different countries all over the world. This particular activity had a great influence on Ms. Sophio Tvalavadze's life as a specialist.

“I would like to stress that in my opinion the Youth Forum is a great opportunity for young telecommunication specialists to grow up as professionals.” Said Ms. Sophio Tvalavadze.
