

Profile

Name: **Elizaveta Kornilova**

Age: 22

Sex: Female

Year of participation: Youth Forum Asia 2004

Country of origin: Kazakhstan

Profession: Engineer of Radio Telecommunication

Ms. Elizaveta Kornilova (Alumni of Youth Forum Asia 2004) is in Kazakstan, working at product technical sales department of a Chinese company “Huawei”. She learnt about ITU-Teleocm Youth Forum from an announcement in the Institute where she studied. Harboursing a wish to be familiar with up-to-date technologies in the world, Ms. Elizaveta Kornilova applied to participate in 2004 Youth Forum.

Ms. Elizaveta Kornilova was much impressed by the very good organization of the Forum, as well as by the activities in different topics she took part in. She considered her participation represented a big opportunity to learn about ICTs and to be part of the Youth Network in this field.

“Participation in the Forum changed my life!” said Ms. Elizaveta Kornilova. ***“I’d like to thank again those people, who organized it for us. ”***
