Mr. Eddy Komeza (Alumni of Youth Forum Africa 2004) is currently studying his Bachelor degree in Technology at Institute of Science Technology and Management, Rwanda, in his final year.

He learnt about ITU-Telecom Youth Forum from his university. Mr. Eddy Komeza applied for it, willing to participate in such a high level international conference where all the youth from many other countries gathered together, and to learn more issues happening in telecommunication sector.

His participation in 2004 created a unique opportunity for him to learn about the issues of the telecommunication sector and encouraged him to be more actively involved into the development of ICTs in his own country.
