Ms. Nehal Abelhakam (Alumni of YES Scholarship 2004) graduated from National Telecommunication Institute (NTI) in Egypt. She is currently preparing for her Master degree.

When Ms. Nehal Abelhakam was at 1st year for her Postgraduate Diploma, she was in research process for finding a scholarship in order to continue her studies. Taking into consideration that NTI is ITU Sector Member, she searched the ITU website and was very happy to see that a dedicated Youth Programme which included a Scholarship initiative was available. This YES Scholarship was so important that it would provide her with not only financial support but also moral encouragement to complete her studies. Therefore she applied for it and after strict selection, Ms. Nehal Abelhakam was awarded a YES Scholarship in 2004, which gave her more confidence and support to achieve her Postgraduate Diploma degree.

The Scholarship motivated Ms. Nehal Abelhakam to try her best to become successful and distinct in her studies. As a result, she finished her Postgraduate Diploma in Communication & Computer Network with excellent grade, which made her rank the 2nd place in her department.

Her wish is to develop her career in this field and to contribute in this way to the ICTs development in her country.
