Subject	Submission of the O3BNEXT3-UHF satellite network		

Dear Madam,

Dear Sir,

With reference to No. 9.6 of the Radio Regulations, the Administration of Luxembourg hereby encloses the Appendix 4 information containing characteristics related to the O3BNEXT3-UHF (NGSO) satellite network to the Bureau for request of coordination and publication in the BR IFIC.

The SNS and GIMS databases have been checked using the BRSIS Validation software (Version 10.0.4.124) and no fatal errors have been identified.

Cost-recovery invoices associated with this satellite network should be sent to the following point of contact:

SES Astra S.A.
Attn.: Judy Milne
Chateau de Betzdorf
6815 Betzdorf
Luxembourg

We also request that you send a courtesy copy of the cost-recovery invoices to this administration via e-Communications or by email to sat-coord@ilr.lu.

The Luxembourg administration remains at your disposal for any further enquiries on this matter.

Best regards,

On behalf of the Institut Luxembourgeois de Régulation
Guy MAHOWALD
Head of Frequency department
