Subject: **Submission of the API Filing for the VSAR NGSO Satellite Network**

Dear Sir/Madam,

Pursuant to Article 9 of the Radio Regulations, the Administration of Viet Nam hereby submits to the Radiocommunication Bureau (BR) the Advance Publication Information (API) filing for the VSAR-03 non-GSO satellite network.

The Appendix 4 information has been validated using the ITU BR-SIS Validation Software, and no fatal errors were identified. The relevant data associated with this submission was transmitted to the BR via the e-Submission system on /2026

Yours Sincerely,

Le Thai Hoa
Deputy Director-General
