GENEVA — FIRST MEETING — 7-8 JUNE, 2004

Inputs received from Members on Question and new subjects

1. Tanzania

New Question:

Do you have any issues that are not covered by the current ITR that you want to be reflected in the new ITRs? Could you propose a text for consideration?

2. United States of America

“Are provisions of ITRs relevant for traditional international telecommunications services, as well as for new telecommunications services arising out of the evolving market environment?” in replace of existing text.
