Subject: Appointment of Vice-Chairman's for the period 2005-2008

Dear Mr. Director,

1. Considering that Resolution 35 annex A from the World Telecommunication Standardization Assembly (Montreal, 2000), Member States are encouraged to indicate to the Director of TSB, before WTSA, suitable candidates for chairmanship or vice-chairmanship for ITU-T study groups or the Telecommunication Advisory Group and that in the "taking into account" of the same Resolution, the maximum term of office for chairman and vice-chairman is approximately eight years (approximately two study periods).
2. Considering further, TSB Circular 247 dated 21 July 2004 inviting Member States and Sector Members to propose candidates for chairman and vice-chairmen of Study Groups, Brazil wishes to appoint the following candidates, in the respective Study Groups:
 - Vice-Chairman of the SSG IMT-2000: Mr. Bruno Ramos;
 - Vice-Chairman of Study Group 6: Carlos José Lauria Nunes da Silva;
 - Vice-Chairman of TAL: Vanderlei Campos.
3. Brazil believes that the requirements of competence and qualifications are met by the appointed candidates. It is important to notice that Mr. Bruno Ramos is currently vice-chairman of SSG running for a second study period mandate.
4. The biographical profiles of the candidates will be sent next week.

Yours faithfully,

JOSE EDUARDO DE ALENCAR MOREIRA
Head, International Affairs Office, Interim
