

Brief C. V. of Ms. Sapna Sharma

Ms. Sapna Sharma graduated in Electronics and Communication Engineering from the Institute of Telecommunication Engineers. She worked with Ministry of Communication and Information Technology for about 7 years and was responsible for conducting various seminars and training courses in the field Electronics Manufacturing Technology (EMT). She was also responsible for calibration of high precision Electronic Equipments. She is, for the last two and a half years, working with Telecom Regulatory Authority of India (TRAI) as Technical Officer in Mobile Network Division. In TRAI, she is responsible for looking after regulatory issues related to Cellular Mobile Services, Radio Paging, VSAT, Radio Trunking, etc. She is mainly involved in implementation of Unified Licensing Regime in India.
