

ITU-T Workshop “Opportunities and Challenges in Home Networking”

Abstract

Geneva, 13 – 14 October 2005

Speaker: Ralph W. Brown
Session: 1: Worldwide Status of Home Network
Title of Presentation: Home Networking USA Status

The presentation begins with a review of the recommendations from the 2004 SG-9 Home Networking Workshop held in Tokyo, Japan. It then summarizes the growth of home networking in the USA and the critical issues that must be addressed to expand home networking into the realm of multimedia applications.
