

ITU-T NEXT GENERATION NETWORKS WORKSHOP IN COLLABORATION WITH IETF

CV

Geneva, 1 – 2 May 2005

Leslie Daigle
Verisign

IETF Co Chair & Evolution Speaker Session 6

Leslie Daigle is globally recognized as a leading expert in Internet naming and directory services systems standards and advanced development. She is currently Director, Directory Research at VeriSign.

Leslie has been a long-time participant in the Internet Engineering Task Force, publishing several documents on Internet naming infrastructure and directory services, and chairing a number of working groups (URN,CNRP). She was appointed to the Internet Architecture Board (IAB) in 2000 and has been Chair of the IAB since March, 2002. She has a Master's Degree in Computing and Information Services from the University of Guelph, and a Bachelor's Degree in Mathematics and Computer Science from McGill University.
