U4SSC KPIs Results
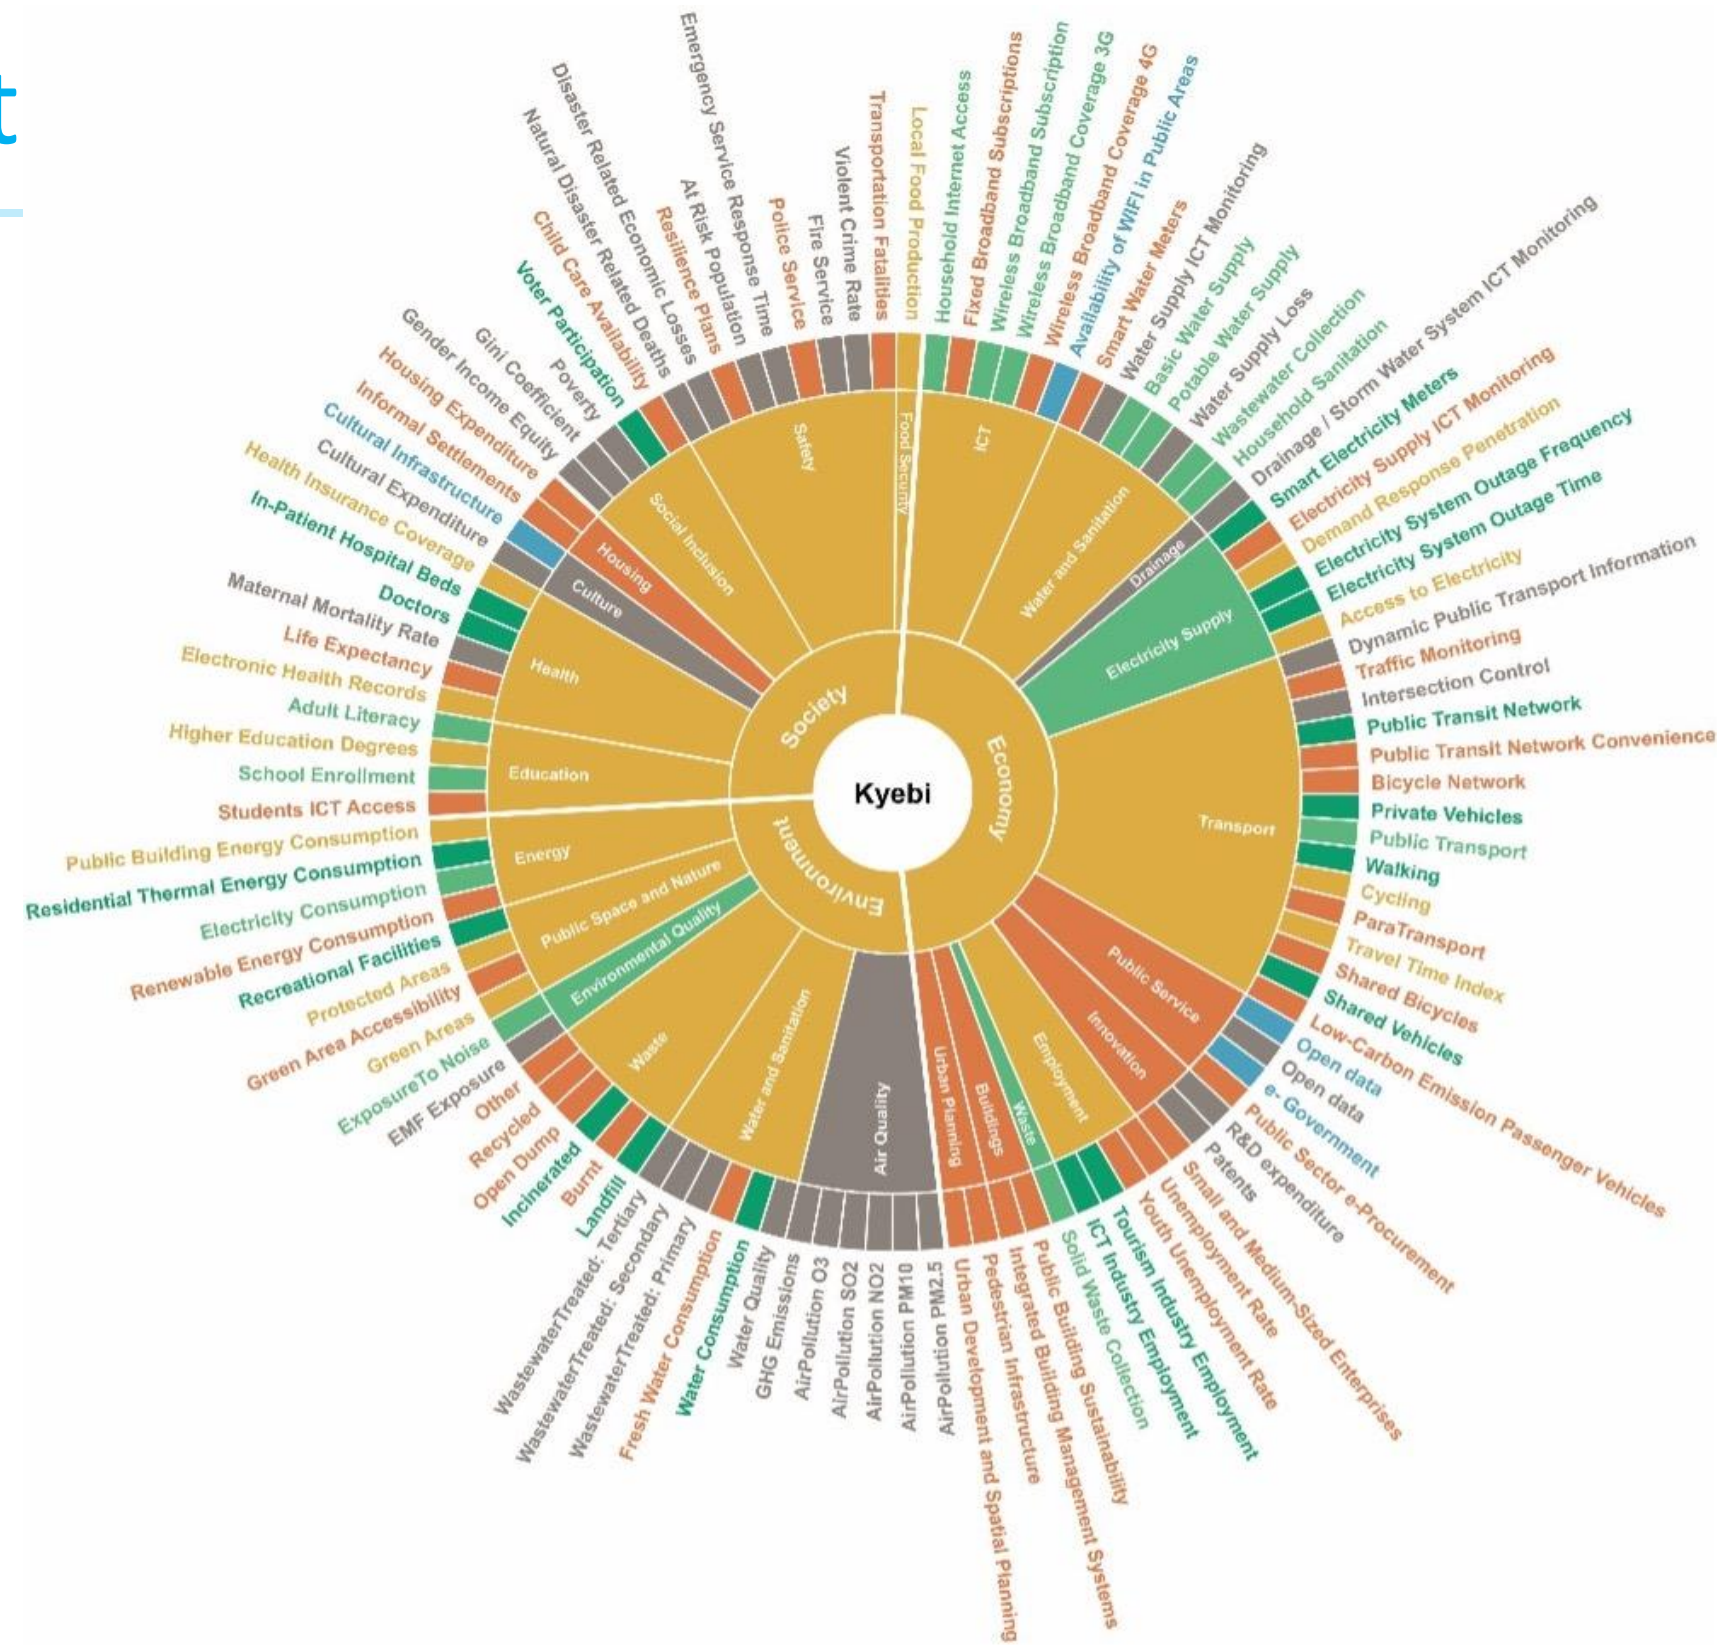

SDG 3: Health & Wellbeing
(Soft Skills Training - 438 Healthcare Workers)

SDG 4: Quality Education
(S.T.E.A..M Introduction – 70 school children)

Towards SDG 16: Strong Institutions
## (Municipal Planning and Coordinating Unit + Community Leaders)

Importance of the U4SSC KPIs

These indicators provided us with a consistent and standardised means of data collection and ongoing performance evaluation.

We were able to:

Track progress over time

Allow for the dissemination of best practices

Set standards for progress in meeting the SDGs

Align with local specific KPIs

Thank you!
