

ITU's World Café Council 2012

Dear Participants and Staff

You are cordially invited to the **World Café**

Engendering change

*12:30 – 15:30 on Tuesday, 10 July 2012
ICT Discovery, 2nd Floor, Montbrillant building*

The **World Café** is a welcoming, informal way to host vibrant collaborative conversations in which each participant is actively involved. Small discussion tables facilitate dialogue and foster the emergence of creative thinking and innovative ideas.

It will be an excellent opportunity for ITU Member States and ITU Staff to share views in rich discussions around the theme of **gender perspective and mainstreaming** in our organization. The event will be opened by **ITU Secretary-General Dr Hamadoun I. Touré**. A light lunch will be provided.

Please reply by **Friday 6 July** to gendergroup@itu.int
