Geneva, 13 March 2015

To: ITU Member States

Subject: **Global IT Technology Programme of Korea Advanced Institute of Science and Technology (KAIST), Korea (Rep. of)**

Dear Sir/Madam,

On behalf of the International Telecommunication Union (ITU) and the Korea Advanced Institute of Science and Technology (KAIST), we would like to invite applications for scholarship to the Global IT Technology Program (ITTP) of KAIST for the 2015 intake.

This scholarship is offered within the framework of a partnership between ITU and KAIST and sponsored by the Ministry of Science ICT and Future Planning, Korea (Rep. of). It proposes a customized Master's degree programme as well as Doctor's degree programme for selected government officials, employees of public institutions or senior-level researchers at national research centers working in the field of ICTs in foreign countries. The selected students will receive scholarships for up to 2 years for a Master's degree and up to 3 years for a Doctoral degree.

This programme aims to build human capacity under the auspices of the ITU Academy and provides skills upgrading opportunities to officials by undertaking higher degree courses from universities. More detailed information on the programme is available at http://academy.itu.int and http://ittp.kaist.ac.kr/.

We look forward to receiving applications from interested candidates from your country. Participants are kindly requested to apply following the instructions provided on the website by no later than **21 April 2015**. The Human Capacity Building division (Hcbmail@itu.int) and the Coordinator, External Cooperation, ITTP, KAIST, Ms. Hyesong Jeong (hsjeong88@kaist.ac.kr) are at your full disposal should you require any further information.

Yours faithfully,

[Original signed]

Brahima Sanou
Director
