Academia in Europe

Subject: **ITU Centres of Excellence eLearning course on “Broadband Internet and Future Networks”,  
31 May -27 June 2016**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the eLearning training on “Broadband Internet and Future Networks” to be conducted on 31 May -27 June 2016. This training is organized jointly by the International Telecommunication Union and the Faculty of Electrical Engineering and Information Technologies, Ss. Cyril and Methodius University in Skopje, FYR of Macedonia under the auspices of the ITU Centres of Excellence for Europe.

This course is targeted at managers, engineers and employees from regulators, government organizations, telecommunication companies and academia, who are interested in development, implementation and regulation of Broadband Internet and Future Networks, from technology, regulation and business aspects. Other institutions and individuals dedicated in building their human capacity related to this subject are also welcome to participate.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration should be made online at the aforementioned link no later than 30 May 2016. The training will be delivered in English.

Mr Jaroslaw Ponder, Coordinator for Europe Region ([eurregion@itu.int](mailto:eurregion@itu.int)) is at your full disposal should you require any additional information.

We look forward to your active participation and invaluable contribution.

Yours faithfully,

[Original signed]

Brahima Sanou  
Director
