Subject: **ITU Centres of Excellence eLearning training on “Strategic Aspects for Internet Governance and Innovations”, 26 September to 3 October 2016**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the eLearning training on **“Strategic Aspects for Internet Governance and Innovations”** to be conducted from **26 September to 3 October 2016**. This training is organized jointly by the International Telecommunication Union (ITU) and the National Institute of Telecommunications (NIT) of Poland as part of the Capacity Building in Internet Governance programme under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English through the ITU Academy Platform.

The training will aim to provide a good understanding of this “IP world” which requires not only knowledge of the technical aspects of IP technology, but also strategic, political and business issues. The course will aim to present current innovations in Internet technology from all of these perspectives.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration for the eLearning training should be done online at the aforementioned link no later than 25 September 2016. Payment details are specified in the training outline.

This training is targeted at corporate executives and managers, policy makers, regulators, middle-level managers, administrators, officials and engineers who are dealing with planning, developing, implementing and managing current and future telecom networks.

Mr Jaroslaw Ponder, ITU Coordinator for the CoE-EUR (eurregion@itu.int), is at your full disposal should you require any further information.

I look forward to your active participation and invaluable contribution.

Yours faithfully,
