Subject: **ITU Centres of Excellence Network for Europe - eLearning course on “NGN, Cloud Computing and Ultra Broadband”, 30 May - 26 June 2017**

Dear Sir/Madam,

I would like to invite your organization to participate in the eLearning course on “NGN, Cloud Computing and Ultra Broadband”, to be conducted from 30 May to 26 June 2017. This course has been developed by the Faculty of Electrical Engineering and Information Technologies, Ss. Cyril and Methodius University in Skopje, FYR of Macedonia, under the aegis of the ITU Centres of Excellence Network for Europe.

The training is targeted at managers, engineers and employees from regulators, government organizations, telecommunication companies and academia, who are interested in development, implementation and regulation of NGN, Cloud Computing and Ultra Broadband, from technology, regulation and business aspects. Other institutions and individuals who wish to enhance their knowledge related to this subject are also welcome to participate.

For more information on the course, kindly consult the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration for the eLearning training should be done online at the aforementioned link no later than **29 May 2017**. Payment details are specified in the training outline.

Mr Jaroslaw Ponder, ITU Coordinator for Europe (eurregion@itu.int), is at your disposal should you require any further information.

Yours faithfully,
