Subject: **ITU Centres of Excellence Network for Europe - eLearning course on “Giga Speed Wireless and Mobile Broadband Internet”, 21 November - 18 December 2017**

Dear Sir/Madam,

I would like to invite your organization to participate in the eLearning course on “Giga Speed Wireless and Mobile Broadband Internet”, to be conducted from 21 November to 18 December 2017. This course has been developed by the Faculty of Electrical Engineering and Information Technologies, Ss. Cyril and Methodius University in Skopje, FYR of Macedonia, under the aegis of the ITU Centres of Excellence Network for Europe.

The training is targeted at managers, engineers and employees from regulators, government organizations, telecommunication companies and academia, who are interested in development, implementation and regulation of Giga Speed Wireless and Mobile Broadband Internet, from technology, regulation and business aspects. Other institutions and individuals dedicated in building their human capacity related to this subject are also welcomed to participate.

For more information on the course, kindly consult the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration for the eLearning training should be done online at the aforementioned link no later than **20 November 2017**. Payment details are specified in the training outline.

Mr Jaroslaw Ponder, ITU Coordinator for Europe (eurregion@itu.int), is at your disposal should you require any further information.

Yours faithfully,
