Subject: ITU Centres of Excellence face-to-face training on Network and IT Security, Chemnitz, Germany, 18-19 October 2017

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on “**Network and IT Security**” to be held in **Chemnitz, Germany on 18-19 October 2017**. This training is organized jointly by the International Telecommunication Union (ITU) and the Technische Universität Chemnitz as part of the Cybersecurity and Broadband Access programme under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English.

This training aims to introduce participants to typical threats and pitfalls in predominantly Ethernet and IP based data networks. It will focus on design and configuration strategies to harden data network infrastructures.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/> . Registration for the training should be made online at the aforementioned link no later than **9 October 2017**. Payment details are specified in the training outline.

This training is targeted at managers, engineers and employees from regulators, government organizations, telecommunication companies and academia, who are interested in the development, implementation and regulation of secure data network infrastructures.

Additional information, such as an information note for participants and a list of recommended hotels, is available at the ITU Academy Portal. Mr Jaroslaw Ponder, Head of ITU Office for Europe (eurregion@itu.int) is at your full disposal should you require any further information.

I look forward to your active participation and invaluable contribution.

Yours faithfully,

[Original signed]
