Subject: ITU Centres of Excellence Network for Europe: eLearning training on “Strategic Aspects for Internet Governance and Innovations”, 5-12 February 2018

Dear Sir/Madam,

I am pleased to invite your organization to participate in the eLearning training on **Strategic Aspects for Internet Governance and Innovations** to be held from 5-12 February 2018. This training is organized jointly by the International Telecommunication Union (ITU) and the National Institute of Telecommunications (NIT), Poland, as part of the Capacity Building in Internet Governance programme under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English.

At the end of the training, the participants should have gained an understanding of the key aspects of:

- Convergence in Telecommunications towards Internet
- Broadband Strategies and Innovations
- Internet Standardization and Policy
- Innovation management in ICT
- Mobile and Internet telephony
- IPTV innovations
- Innovative services and applications
- Network neutrality
- Management and regulation of Internet

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration for the training should be done online at the aforementioned link **no later than 5 February 2018**. Payment details are specified in the training outline.

The course is addressed to middle level management, namely corporate executives and managers, policy makers, regulators, administrators, officials and engineers dealing with planning, developing, implementing and managing current and future telecom networks.

Mr Jaroslaw Ponder, Head of ITU Office for Europe (eurregion@itu.int), is at your full disposal should you require any further information.

Yours faithfully,
