**Subject: ITU Centres of Excellence Network for Europe: e-Learning training on “Future Broadband Internet Access” 29 May to 25 June**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the e-Learning training on **Future Broadband Internet Access** to be held from 29 May to 25 June 2018. This training is organized jointly by the International Telecommunication Union (ITU) and the Faculty of Electrical Engineering and Information Technologies, Ss. Cyril and Methodius University in Skopje, FYR of Macedonia under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English.

Participants will be apprised of the Future Broadband Internet Access from technology, regulation and business aspects. It will cover the Internet technologies, including architectures, protocols (IPv4, IPv6, TCP, UDP) and fundamental technologies (Internet routing, DNS, DHCP), Web services, Internet QoS, as well as Internet governance.

For more information on the course, kindly consult the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration for the training should be done online at the aforementioned link no later than **28 May 2018**. Payment details are specified in the training outline. Details on the venue, visa formalities and accommodation are included in the information note for participants available on the ITU Academy Portal.

Mr. Jaroslaw Ponder, Head of ITU Office for Europe ([eurregion@itu.int](mailto:eurregion@itu.int)), is at your full disposal should you require any further information.

Yours faithfully,

[Original signed]

Brahima Sanou  
Director
