**Subject: ITU Centres of Excellence face-to-face training on Network and IT Security, Chemnitz, Germany, 17-18 October 2018**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on “**Network and IT Security**” to be held in **Chemnitz, Germany** on **17-18 October 2018**. This training is organized jointly by the International Telecommunication Union (ITU) and the Technische Universität Chemnitz as part of the Cybersecurity and Broadband Access programme under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English.

Participants will be apprised of typical threats and pitfalls in predominantly Ethernet and IP based data networks. At the end of the course they should be able to apply common design and configuration strategies to harden data network infrastructures. This training is designed for managers, engineers and employees from regulators, government organizations, telecommunication companies and academia, who are interested in the development, implementation and regulation of secure data network infrastructures.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration for the training should be made online at the aforementioned link no later than **8 October 2017**. Payment details are specified in the training outline. Details on the venue, visa formalities and accommodation are included in the information note for participants available on the ITU Academy Portal.

Mr Jaroslaw Ponder, Head of ITU Office for Europe ([euregion@itu.int](mailto:euregion@itu.int)) is at your full disposal should you require any further information.

I look forward to your active participation and invaluable contribution.

Yours faithfully,
