Subject: ITU Centres of Excellence face to face training “ Introduction to Cyber Security for New Millennium”, Prague, Czech Republic, 28 November 2018

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face to face training on “Introduction to Cyber Security for New Millennium” to be held in Prague, Czech Republic on 28 November 2018. This training is organized jointly by the International Telecommunication Union (ITU) and the Faculty of Engineering of the Czech Technical University in Prague (CTU) as part of the Cyber security programme under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English.

At the end of the training, participants should have gained an understanding of security lifecycles needs and the approach to identify, plan and implement security measures in a company operating in the digital era economy. The training is addressed to executives and practitioners such as CEOs, CIOs, CISOs, company policy makers or security architects.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>. Registration should be done online at the aforementioned link no later than 26th November 2018. Payment details are specified in the training outline.

Mr Jaroslav Ponder, Head of the ITU Office for Europe (eurregion@itu.int), is at your full disposal should you require any further information.

Yours faithfully,
