**Subject: ITU Centres of Excellence online training course on “NGN evolution, Future Networks and Ultra-Broadband Internet”, 28 May – 24 June 2019**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on **“NGN evolution, Future Networks and Ultra-Broadband Internet”** to be conducted from **28 May to 24 June 2019**. This course is organized jointly by the International Telecommunication Union and the Faculty of Electrical Engineering and Information Technologies (FEEIT), Ss. Cyril and Methodius University in Skopje, North Macedonia as part of the Fixed and Wireless Broadband programme under the auspices of the ITU Centres of Excellence for Europe. The training will be delivered in English through the ITU Academy platform.

This online training course aims to introduce participants to NGN evolution, future networks and ultra-broadband Internet from technology, regulation and business aspects. It will cover Internet fundamentals, NGN evolution, future networks and trusted ICT infrastructures, ultra-broadband internet access and transport as well as cloud computing, IoT, and ultra-broadband Internet services.

Detailed information on this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <http://academy.itu.int/>

This course is targeted at managers, engineers and employees from regulators, government organizations, telecommunication companies and academia, who are interested in understanding, implementation and regulation of NGN evolution, future networks and ultra-broadband internet, including technologies, standardization, regulation and content. Other institutions and individuals that are dedicated in building their capacity related to NGN evolution, future networks and ultra-broadband internet are also welcome to participate.

Registration should be made online at the aforementioned link no later than **27 May 2019**. Payment details are specified in the training course outline.

Mr. Jaroslaw Ponder, Head of the ITU Office for Europe ([eurregion@itu.int](mailto:eurregion@itu.int)), is at your full disposal should you require any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
