Subject: Invitation to Participate in the Child Online Protection Segment of the 2nd Andorra Forum: Public-Private Partnerships for Digital Transition, 30 October 2025, Principality of Andorra

Dear Sir/Madam,

It is my pleasure to invite your Administration/Organization to the **Child Online Protection (COP) Segment** taking place within the **2nd Andorra Forum: Public-Private Partnerships for Digital Transition, 30 October 2025 in Andorra la Vella, Principality of Andorra**. The objective of this segment, organized by the **International Telecommunication Union (ITU) Europe Office** in partnership with **Andorra Digital**, is to bring together representatives from governments, international organizations, the private sector, civil society, and youth to exchange insights and strengthen collective efforts to enhance children's safety and well-being in the digital environment.

As part of this segment, the Global **ITU Child Online Protection Initiative** will convene the third session of the **ITU Industry Connect** quarterly series "*Child Online Protection in Action – Industry Perspectives.*" titled "**Gaming & Online Safety: Creating Safe and Inclusive Virtual Playgrounds**". The session will examine how gaming environments can be made safer, more inclusive, and more responsive to children's needs.

The agenda of the segment is attached as Annex 1. Further details about the forum are available on the event website: [Andorra Digital](#). To participate in the event, please kindly contact Ms. Kamila Ciok, Project Officer at ITU Office for Europe (kamila.ciok@itu.int).

I look forward to your active participation in this important event and to working together in strengthening global efforts on child online protection.

Yours faithfully,

(Original signed)

Cosmas Luckyson Zavazava
Director

Annex 1 – Agenda

Child Online Protection Segment

2nd Andorra Forum: Public-Private Partnerships for Digital Transition

30 October 2025 – Andorra la Vella, Principality of Andorra

09:00 – 09:20: Opening Session

09:20 – 11:20: Session 1: Challenges and Best Practices in Child Online Protection

- Presentation of best practices on child online protection
- Q&A Segment: Open floor discussion to gather input and perspectives

11:20 – 11:50: Coffee Break

11:50 – 13:00: Session 2: Addressing AI Challenges in Child Online Protection

- Presentation of the Joint Statement on Child Rights in the context of AI, in collaboration with the UN Committee on the Rights of the Child (CRC) and UNICEF
- Panel Discussion: Exploring challenges, risks, and solutions related to AI and children's rights
- Q&A Segment: Open floor discussion to gather input and perspectives

13:00 – 14:30: Lunch Break

14:30 – 16:30: Session 3: Gaming and Online Safety – Creating Secure and Inclusive Virtual Playgrounds

The third session of the ITU Industry Connect quarterly series "Child Online Protection in Action – Industry Perspectives".

- Opening & Scene-Setting: Framing remarks from UN representatives and leading experts to provide an overview of the evolving role of gaming in children's digital lives.
- Industry Showcases: Presentations from leading gaming companies will showcase how platforms are addressing key risks, while promoting safer, more inclusive gaming experiences.
- Youth Representative's experiences & expectations: Sharing personal stories and reflecting on what makes a gaming experience feel safe, inclusive, and empowering.
- Interactive Moderated Dialogue: A dynamic, facilitated discussion engaging all participants.

16:30 – 17:00: Closing Session
