

Mr. Jose Maria Diaz Batanero

Head of Project Support Division, BDT, ITU

Jose Maria Diaz Batanero is Head of the Project Support Division of ITU, the UN specialized agency for telecommunications and information and communication technologies (ICTs). Prior to joining ITU's

Telecommunication Development Bureau, Mr Diaz

Batanero worked as coordinator of ITU's strategy in the areas of sustainable development, digital inclusion, and

digital entrepreneurship (2009-2020), as Forum Coordinator for ITU Telecom World (2015-2020), and as ICT specialist in the Inter-American Development Bank (2004-2009), the United Nations Development Programme (2002-2004), as well as in the private sector at Vodafone Spain (2002). He is Electronic Engineer and has a Master Degree in Strategic Planning and ICTs applied to business.
