

Ms. Nataša Kuzmanović, ITU Study Group 1, Question 2/1, and Question 1/1 Vice-Rapporteur

Ms. Nataša Kuzmanović has more than 20 years of unique mix of experience and expertise in the electronic-communications and broadcasting regulation, international relations, project management and strategic development. Having been employed by the Communications Regulatory Agency of Bosnia and Herzegovina, Ms. Kuzmanović has been engaged on different assignments ranging from the *ex-ante* market analysis and SMP regulation in line with the EU Regulatory Framework, developing reports and studies, as well as monitoring the market. Ms. Kuzmanović was also a member of the Digital Terrestrial Television (DTT) Forum of BiH, an expert body founded by the government to launch digital terrestrial broadcasting in Bosnia and Herzegovina, participating in the Working Group for Social and Economic Aspects of the introduction of DTT.

Furthermore, Ms. Kuzmanović has a long-term international experience gained through representing the Agency in the Contact Network of the Body of European Regulators of Electronic Communications (BEREC), as well as holding the position of member of the Permanent Secretariat of the Euro-Mediterranean Regulators Group (EMERG). As of 2022 Ms. Kuzmanović has been following ITU -D Study Group 1 holding a position of Vice-Rapporteur for Question 1/1 and Question 2/1.
