

NATALIA VICENTE

VP Public Affairs, GSOA

Natalia Vicente is Vice President of Public Affairs at GSOA, where she works closely with the Director General and the CEOs of GSOA Member companies to drive forward high-level advocacy for the satellite communications sector. Specifically, Natalia focusses on the Development Agenda working with international organisations to ensure nation states benefit from the value of leveraging available satellite communications services to bridge digital, education and health divides.

Natalia has over a decade of experience in the digital sector, focusing on public policy, government relations and building international partnerships.

Natalia is a qualified lawyer with an LLM from the University Autonoma of Madrid and holds a Master of Business Administration specialised in Marketing. She is a Spanish national, lives in Brussels and speaks 4 languages.
