

DANNY PREISKEL

Danny is the Senior Partner of internationally renowned Band 1 Chambers ranked telecoms law firm, Preiskel & Co. He possesses over 30 years' experience working in telecoms, advising across the globe. In 2025, he won the Lexology Award for Europe's Leading Telecoms, Media and Technology Lawyer.

He has been for some years a Judge on the prestigious Capacity Awards and served on the Mobile Ecosystem Forum EMEA Board, an organisation he helped establish.

He represents companies throughout the telecoms and technology ecosystem, including governments, regulators, and major mobile operators.

He has been ranked for about 25 years in major independent research guides as one of the world's leading communications lawyers and is the winner of the 2024 and 2025 Client Choice European UK Lawyer of the Year.

Danny speaks 6 key western European languages (covering Africa and LATAM too) and is highly regarded for his international commercial, corporate and regulatory telecoms work. He leads an international team of lawyers advising clients on complex issues throughout the world and into space.

He is a regular speaker and has chaired important international telecoms and technology conferences.

Danny has an MA in Law from Cambridge and is a qualified former telecoms investment banker.
