Addendum 1 to
Administrative Circular
CA/128

23 July 2004

To Administrations of Member States of the ITU and Radiocommunication Sector Members

Subject: Dates concerning the completion of contributions to the draft CPM Report

The results of the first Conference Preparatory Meeting (CPM06-1) held in Geneva 7-8 July 2003 are contained in Administrative Circular CA/128, issued 29 July 2003. Annex 3 of CA/128 contains the Report of the meeting in which it is indicated that the membership would be sent further information concerning deadlines for completion of the studies and consolidation of the results into the draft CPM Report. The purpose of this letter is to provide that information, now that the dates of CPM-07 and WRC-07 have been set by Council-04. (For information, CPM-07 is from 5 to 16 March 2007 and WRC-07 from 8 October to 2 November 2007.)

Having in mind the statutory deadline for dispatch of the draft CPM Report to the membership, as well as the time needed for its preparation in the working languages of the Union, all contributions to the draft CPM Report must be completed by 15 September 2006. Furthermore, a meeting of the Chairmen of the responsible Groups, the CPM Chairman and Vice-Chairmen, and the Chapter Rapporteurs will be held in Geneva from 25 to 29 September 2006 to consolidate the contributions into the draft CPM Report. The Chairmen of the Study Groups and subordinate Groups responsible for CPM studies are kindly requested to take these dates into account in the planning of their respective work programmes.

In addition to conveying the above information, we are taking this opportunity to attach a revision to Annex 9 to CA/128 which provides the coordinates of the CPM Chairman, Vice-Chairmen and Chapter Rapporteurs.

Valery Timofeev
Director, Radiocommunication Bureau
