

Radiocommunication Bureau (BR)

Corrigendum 3 to
Administrative Circular
CACE/942

10 July 2020

**To Administrations of Member States of the ITU, Radiocommunication Sector Members,
ITU-R Associates participating in the work of the Radiocommunication Study Group 5
and ITU Academia**

Subject: **Meeting of Radiocommunication Study Group 5 (Terrestrial Services),
Geneva, 31 July 2020**

1 Introduction

This Administrative Circular complements the information provided in Administrative Circular [CACE/942](#) and its two corrigenda. Due to the continued exceptional circumstances caused by the Coronavirus ([COVID-19](#)) outbreak, the ITU Member States were consulted, through Corrigendum 2 to Administrative Circular CACE/942, on two aspects, namely whether the meeting of Study Group 5 may be convened fully electronically (virtual meeting / remote participation only) on the planned date of 31 July 2020 and whether that meeting can be conducted exceptionally in English only. The deadline for the submission of responses to these two consultations was 30 June 2020.

2 Outcome of the consultation process

The objective of this Administrative Circular is to report on the outcome of these two consultations. The Study Groups Department of the Radiocommunication Bureau has not received any objection to convening the meeting of Study Group 5 as a virtual meeting on 31 July 2020. The meeting of Study Group 5 will therefore be convened as a virtual meeting.

The Study Groups Department of the Radiocommunication Bureau has not received any comment to conduct the virtual meeting of Study Group 5 exceptionally in English only. However, considering that the proposed agenda of Study Group 5 contains, as indicated in Corrigendum 2 to Administrative Circular CACE/942, some recommendations that will be considered for adoption at the planned meeting or by correspondence, in consultation with the ITU-R Study Group 5 management team, it was decided that the meeting will be conducted in the 6 languages of the Union.

For further questions relating to this Circular Letter, please contact Uwe Löwenstein, Study Group 5 Counsellor, at uwe.loewenstein@itu.int.
