Subject: **Meeting of Radiocommunication Study Group 1 (Spectrum Management),
Geneva, 8 June 2020, postponed to 3 December 2020**

This Corrigendum to Administrative Circular CACE/943 of 7 February 2020 is to inform that, due to the exceptional circumstances and growing global concern caused by Coronavirus ([COVID-19](#)) outbreak, the meeting of Study Group 1 is postponed to 3 December 2020. The meetings of Working Parties 1A, 1B and 1C are also postponed. They will be held from 24 November to 2 December 2020 (see Corrigendum 1 to Circular Letter [1/LCCE/105](#)). The decision to postpone the meetings has prioritized the need to ensure the health and safety of all participants and to guarantee adequate levels of participation.

A new Administrative Circular will be issued in due course to provide the usual information for this next meeting of Study Group 1, including the need to register to be able to participate. Remote participation will be offered and, if necessary, the meeting may take place fully electronically (virtual meeting). Specific information will be provided accordingly, both in the invitation letter announcing the meeting and on the website.

In the meantime, participants may continue the submission of contributions by electronic mail to: rsg1@itu.int, with a copy to the Chairman and Vice-Chairmen of Study Group 1. The pertinent addresses can be found on: <http://www.itu.int/go/rsg1/ch>.
