Radiocommunication Bureau (BR)

Administrative Circular
CACE/1082

11 October 2023

**To Administrations of Member States of the ITU, Radiocommunication Sector Members,
ITU-R Associates participating in the work of ITU Coordination Committee for Terminology and
ITU Academia**

Subject: **ITU Coordination Committee for Terminology**

– **Proposed adoption by correspondence of 1 draft revised ITU-R Recommendation**

At the meeting of the ITU Coordination Committee for Terminology (CCT) held on 26 September 2023, the CCT decided to seek adoption of 1 draft revised ITU-R Recommendation in accordance with § A2.6.2.2.3 of Resolution ITU-R 1-8 (Procedure for adoption by correspondence). The title and summary of the draft Recommendation are given in the Annex to this letter.

The consideration period shall extend for two months ending on 11 December 2023. If within this period no objections are received from Member States, the approval by consultation procedure of § A2.6.2.3 of Resolution ITU-R 1-8 will be initiated.

Any Member State raising an objection to the adoption of the draft Recommendation is requested to inform the Director and the Chairmen of the CCT of the reasons for the objection.

Any ITU member organization aware of a patent held by itself or others which may fully or partly cover elements of the draft Recommendation mentioned in this letter is requested to disclose such information to the Secretariat as soon as possible. The Common Patent Policy for ITU-T/ITU-R/ISO/IEC is available at <http://www.itu.int/en/ITU-T/ipr/Pages/policy.aspx>.

Mario Maniewicz
Director

Title and summary of the draft Recommendation

Draft revision of Recommendation ITU-R V.431-8

Doc. 32(Rev.1)

Nomenclature of the frequency and wavelength bands used in telecommunications

Those are the proposed revisions (assorted by the rows of Table 1):

- 1 Adding the missing symbol THF and revising the corresponding metric '0.1-1 millimetric waves'.
- 2 Conforming to the metric subdivision and prefixes in Table 7 'SI prefixes' of the International System of Units (SI) Brochure.
- 3 Avoiding the obsolete prefix 'myria'.
- 4 Suppressing the column 'Metric abbreviations for the bands', to align with Table in RR No. **2.1** modified at WRC-15.

Deleting Table 2, as the symbol ELF and the frequency ranges 0.03-0.3 Hz, 0.3-3 Hz, 3-30 Hz and 30-300 Hz do not appear in the RR No. **2.1**.

Changing 'Spectrum regions' to 'Frequency ranges'.
