

## Radiocommunication Bureau (BR)

Administrative Circular  
**CACE/1133**

11 February 2025

**To Administrations of Member States of the ITU, Radiocommunication Sector Members, ITU-R Associates and ITU Academia participating in the work of the Radiocommunication Study Group 6**

Subject:           **Radiocommunication Study Group 6 (Broadcasting Service)**  
                  –       **Proposed approval of 1 draft revised ITU-R Recommendation**

At the meeting of Radiocommunication Study Group 6 held on 15 November 2024, the Study Group decided to seek adoption of 1 draft revised ITU-R Recommendation by correspondence, in accordance with § A2.6.2.2.3 of Resolution ITU-R 1-9. The Recommendation has now been adopted by Study Group 6 and the approval procedure of Resolution ITU-R 1-9, § A2.6.2.3, is to be applied. The title and the summary of the draft Recommendation is given in the Annex to this letter. Any Member State raising an objection to the approval of a draft Recommendation is requested to inform the Director and the Chair of the Study Group of the reasons for the objection.

As stated in Administrative Circular CACE/1123, dated 3 December 2024, the consultation period for the adoption of the Recommendation ended on 3 February 2025.

Having regard to the provisions of § A2.6.2.3 of Resolution ITU-R 1-9, Member States are requested to inform the Secretariat ([brsgd@itu.int](mailto:brsgd@itu.int)) by 11 April 2025, whether they approve or do not approve the proposal above.

After the above-mentioned deadline, the results of this consultation will be announced in an Administrative Circular and the approved Recommendation will be published as soon as practicable (see <http://www.itu.int/pub/R-REC>).

Any ITU member organization aware of a patent held by itself or others which may fully or partly cover elements of the draft Recommendation mentioned in this letter is requested to disclose such information to the Secretariat as soon as possible. The Common Patent Policy for ITU-T/ITU-R/ISO/IEC is available at <http://www.itu.int/en/ITU-T/ipr/Pages/policy.aspx>.

Mario Maniewicz  
Director

**Annex:** Title and summary of the draft Recommendation

**Document:** Document 6/74(Rev.1)
