Subject: Proposed adoption by correspondence of 4 draft revised Recommendations developed by Radiocommunication Study Group 3

At the meeting of Radiocommunication Study Group 3, held on 28 and 29 October 2004, the Study Group decided to seek adoption of 4 draft revised Recommendations according to § 10.2.3 of Resolution ITU-R 1-4 (Adoption by a Study Group by correspondence). However, any Member State who objects to the continuation of the approval procedure for a draft Recommendation is requested to advise the Director of the reason and to indicate possible changes to the text in order to resolve the problem.

* See Administrative Circular CA/145.
