2 Programme of the meetings of Working Parties

The Working Parties will conduct their work in English.

3 Contributions

Contributions in response to the work of Working Parties 6A, 6B and 6C are invited. These will be processed according to the provisions laid down in Resolution ITU-R 1-8.

The deadline for reception of contributions not requiring translation* (including Revisions, Addenda and Corrigenda to contributions) is seven calendar days (1600 hours UTC) prior to the start of the meeting. **The deadlines for reception of contributions for these meetings are specified in the table above.** Submissions received later than these deadlines cannot be accepted. Resolution ITU-R 1-8 provides that contributions which are not available to participants at the opening of the meeting cannot be considered.

Participants are requested to submit contributions by electronic mail to:

rsg6@itu.int.

A copy of each contribution should also be sent to the Chairmen and Vice-Chairmen of the relevant Working Parties (rwp6a-cvc@itu.int, rwp6b-cvc@itu.int or rwp6c-cvc@itu.int) and to the Chairman and Vice-Chairmen of Study Group 6 (rsg6-cvc@itu.int).

4 Documents

Contributions will be posted “as received” within one working day on the Working Party webpages established for this purpose. The official versions will be posted on <http://www.itu.int/ITU-R/go/rsg6/en> (see “contributions” of the relevant Working Party) within 3 working days.

In accordance with Resolution 167 (Rev. Dubai, 2018) of the Plenipotentiary Conference **the meetings will be completely paperless**. Wireless LAN facilities will be available for use by delegates in the meeting rooms. Printers are available in the cyber café of the 2nd basement of the Tower building and on the ground floor and first floor of the Montbrillant building for delegates who wish to print documents.

5 Webcast/Remote participation

In order to follow the proceedings of ITU-R meetings remotely, an audio webcast of the Working Party plenary sessions will be provided through the ITU Internet Broadcasting Service (IBS). Participants do not need to register for the meeting to use the webcast facility, however, an ITU TIES account is required to access the webcast.

Remote participants wishing to actively participate (e.g. to introduce a contribution) will need to register in advance for the meeting by indicating this intention to their Designated Focal Points (see section 6). Additionally, they need to coordinate their active participation **at least one month prior** to the meeting with the responsible Counsellor (see Note below).

Note: If the circumstances related to the Coronavirus (COVID-19) outbreak prevail, these next meetings of Working Parties 6A, 6B and 6C may take place fully electronically (virtual meeting), and remote participation will be offered accordingly. A Corrigendum to this Circular Letter will be issued in due course to provide the usual information including the need to register to be able to participate and details on the platform, required measures for remote participation and meeting schedules, as appropriate.

Further information regarding remote participation can be found at:

<https://www.itu.int/en/ITU-R/study-groups/Pages/remote-participation.aspx>

* Where translation is required, contributions should be received at least three months prior to the meeting.

6 Participation/Visa requirements/Accommodation

Registration to this event is mandatory and will be carried out exclusively on-line via Designated Focal Points (DFPs) for ITU-R event registration. **The Radiocommunication Bureau has deployed, since May 2019, a new event registration platform where participants must first complete an online registration form and submit their registration request for approval by the corresponding focal point.** An ITU/TIES account is required from participants to submit a registration request and obtain registration approval from the corresponding focal point.

The list of ITU-R DFPS (TIES protected) as well as detailed information on this new event registration system, visa support requirements, hotel accommodation, etc. can be found at:
