3rd ITU Inter-regional Workshop on WRC-23 Preparation

The 3rd ITU Inter-regional Workshop on WRC-23 Preparation will take place in the International Conference Centre of Geneva (CICG), as a face-to-face event with the possibility of remote participation, from 27 to 29 September 2023.

The latest information on the ITU and regional preparations for RA-23 and WRC-23 will be presented during the workshop. It will focus on important topics on the WRC-23 agenda.

This Workshop will provide participants with the opportunity to gain a better understanding of the possible solutions identified at this stage by the regional groups to satisfy the WRC-23 agenda items and topics, including references to the relevant parts of the Report of the CPM to WRC-23 and the latest ITU-R preparatory studies. It will also facilitate the exchange of information on the common views, positions and/or proposals of the concerned entities.

The World Radiocommunication Conference 2023 (WRC-23) agenda and relevant WRC resolutions can be downloaded from the WRC-23 web page: <https://www.itu.int/wrc-23/en/booklet-wrc-23/>
