### ADDRESSED TO: UNECE WP GRVA

Dear Francois.

Thanks again for our short but nice conversation along the last meeting of GRVA on 26<sup>th</sup> September.  
As envisaged, I have verbally informed ITU-R WP 5A about the GRVA-activities.

Please find enclosed a subsequent liaison statement (LS) from ITU-R WP 5A to UNECE WP on Automated/Autonomous Connected Vehicles (GRVA) for your kind consideration at the next meeting.

If you share with me the timing of the next meeting(s), I will try to join it to introduce the LS and maybe by this new "communication channel", a possible collaboration between UNECE and ITU can be established.

**A short confirmation of reception would be appreciated.**

Would you (GRVA) also have a functional email-address?

Kind regards.

Uwe
