General conditions of sales

PRICES

The prices quoted in the ITU Catalogue of Publications, as well as in Publication Notices (distributed free of charge and visible on the ITU website at the following address: www.itu.int/publications), are in Swiss francs (CHF) and are subject to change without notice.

Discounts of 15 per cent are granted to ITU Member State Administrations, Sector Members and Associates. A non-cumulative discount of 80 per cent on all Publications is also granted to Member State Administrations of Least Developed Countries (LDCs) and Academia Members, while a similar non-cumulative discount of 80 per cent is also granted to libraries of educational institutions with respect to Subscription Services and CD-ROM/DVD-ROM Publications only.

Catalogue prices of electronic publications (on CD-ROM, DVD-ROM and online) are given for single users. For corporations and institutions, multi-user licences are granted taking into account the number of authorized users. Please refer to the corresponding Publication Notices on the web. Please note that the minimum price for a publication bought from the Electronic Bookshop is twenty Swiss francs (CHF 20.–).

FORMS OF DISPATCH

The catalogue price includes the cost of dispatch by non-registered economy-class mail or the means of carriage most advantageous to ITU. Dispatch can be requested in other forms: i.e. airmail, DHL, Federal Express, TNT, freight or diplomatic pouch. If one of these alternative methods is chosen, the dispatch cost will be added to the quote. The client may choose to provide the ITU with his own valid Fedex/DHL/TNT account number for shipping at his expense. If a freight forwarder is designated by the client, this client assumes all transport charges. The costs of shipping via registered mail have been added to the economy-class costs. Customers may refuse these conditions but, in this case, ITU will not be held responsible for the replacement of any undelivered orders dispatched by mail that has not been registered. Customs duties and other taxes or dues levied on imported goods are not borne by ITU. ITU accepts no responsibility for delay, loss or damage in shipment. Any claim must be made as quickly as possible, and at the latest within six months of dispatch of the Publication(s).

RETURN OF PUBLICATIONS

Where a Publication found to be faulty is returned to ITU, the latter's responsibility shall be limited to replacement of the Publication and payment of the costs arising from such replacement. Any Publication returned to ITU must reach it within one (1) month from the date of its dispatch to the customer, subject to ITU's prior agreement. A minimum charge of fifty Swiss francs (CHF 50.–) will normally be invoiced to the customer by ITU for return of the Publication to stock.

No exchange or refund is available for purchases made directly at the ITU Bookshop.

In the case of electronic publications (CD-ROM, DVD-ROM and online), these general conditions shall apply, subject to the specific derogation provisions contained in the Licence Agreements. The placing of an order implies full acceptance of these general conditions of sale.

None of the provisions of these general conditions of sale shall be interpreted as constituting a derogation or renunciation of the privileges, immunities and facilities enjoyed by ITU in accordance with the international agreement applicable to it, in particular the Headquarters Agreement concluded with the Swiss Federal Council on 22 July 1971, as well as the Swiss law or any other relevant national legislation.
