Subject: **General information on credentials for delegations to the Regional Radiocommunication Conference for the revision of the Stockholm 1961 Agreement (RRC-06-EUR)**

To the Member States of the Union of the  
European Broadcasting Area

By Fax

Dear Madam/Sir,

With reference to Circular-Letter No. 63 of 26 May 2005 inviting your Government to send a delegation to the Regional Radiocommunication Conference (RRC-06-EUR), associated in time and place with the second session of the RRC (RRC-06), to revise the Stockholm 1961 Agreement with a view to harmonizing the parts of that Agreement that relate to the use of the frequency bands 174-230 MHz and 470-862 MHz by the broadcasting service with the agreement to be adopted by RRC-06, I should like to remind you of the provisions of Article 31 of the ITU Convention with regard to Credentials.

In accordance with Nos. 324 and 326 of the Convention, accreditation of delegations sent by Member States to the Regional Radiocommunication Conference for the revision of the Stockholm 1961 Agreement (RRC-06-EUR) shall be by means of written instruments signed by the Head of State, by the Head of Government, by the Minister for Foreign Affairs, or by the Minister responsible for radiocommunication matters. The submitted credentials must fulfill at least one of the following criteria:

- confer full powers on the delegation;
- authorize it to represent its government without restrictions; or
- give the delegation, or certain members thereof, the right to sign the Final Acts.

As a constant practice, credentials sent by fax are found not to be in order by the Plenary Meeting and, according to No. 333 of the Convention, the concerned delegations shall not be entitled to exercise the right to vote or sign the Final Acts, until the situation has been rectified.

I would also draw your attention to No. 338 of the Convention, which stipulates that credentials and transfers of powers sent by telegram shall not be accepted.

To enable your country to exercise its sovereign rights in full from the beginning of the Conference, I invite you to ensure that the competent authorities of your country send to the ITU Secretary-General the **original** of the instrument of accreditation - accompanied, as necessary, by a certified translation in one of the official languages of the Union - as soon as possible, and preferably before **8 May 2006**. The ITU Secretary-General will forward these documents to the secretariat of the RRC-06-EUR Credentials Committee. In order to facilitate the examination by the Credentials Committee, you will find attached hereto a model instrument of credentials covering all the criteria set out in the relevant provisions of the ITU Convention (see Annex 1) and the procedures for depositing credentials (Annex 2).

Please note that credentials for this conference and for the Regional Radiocommunication Conference (RRC-06) may be submitted in a single instrument (see Annex 3).

Yours faithfully,

Yoshio UTSUMI  
Secretary-General

Annexes: 3

**ANNEX 1**

**MODEL INSTRUMENT OF CREDENTIALS  
FOR DELEGATIONS PARTICIPATING IN THE**

**Regional Radiocommunication Conference (RRC-06-EUR) to revise  
the Stockholm 1961 Agreement**
