NOTE 1 – In these Final Acts, the symbol SCG is used with the following meanings:

a) When used for designating a geographical area, the symbol SCG includes the entire territory of the former ITU Member State "Serbia and Montenegro" which existed prior to 3 June 2006.

b) When used for designating an administration of a Member State, or an administration responsible for an analogue assignment or a digital Plan entry, the symbol SCG designates, on a provisional basis, the Administration of the Republic of Serbia. However, the Administration of the Republic of Serbia has indicated that it is responsible for those analogue assignments and/or digital Plan entries which are situated on the territory of the Republic of Serbia.

c) The repartition of the analogue assignments and/or digital Plan entries which are included under the symbol SCG (in its geographical meaning) to the two independent States, namely the Republic of Serbia as continuator of "Serbia and Montenegro" and the Republic of Montenegro, will be done on geographical principles after the Conference.

الملاحظة 1 – يعني استخدام الرمز SCG في هذه الوثائق الختامية ما يلي:

أ) يشمل الرمز SCG، عند استعماله في تعريف منطقة جغرافية، كامل أراضي دولة "صربيا والجبل الأسود" السابقة العضو في الاتحاد، التي كانت قائمة قبل 3 يونيو 2006.

ب) يعني الرمز SCG، على أساس مؤقت، عند استعماله في تعريف إدارة دولة عضو، أو إدارة مسؤولة عن تخصيص تماثلي أو مُدخل في الخطة الرقمية، إدارة جمهورية صربيا. ومع ذلك، فقد أعلنت إدارة جمهورية صربيا أنها مسؤولة عن التخصيصات التماثلية و/أو مدخلات الخطة الرقمية القائمة على أراضي جمهورية صربيا.

ج) سيجري بعد المؤتمر تقسيم التخصيصات التماثلية و/أو مدخلات الخطة الرقمية المدرجة تحت الرمز SCG (بمعناه الجغرافي) على الدولتين المستقلتين، جمهورية صربيا باعتبارها استمراراً لجمهورية "صربيا والجبل الأسود"، وجمهورية الجبل الأسود، وفق المبادئ الجغرافية.

NOTA 1 – En estas Actas Finales, la utilización del símbolo SCG tiene los siguientes significados:

a) Cuando se utiliza para designar una zona geográfica, el símbolo SCG incluye todo el territorio del antiguo Estado Miembro de la UIT «Serbia y Montenegro» que existía antes del 3 de junio de 2006.

b) Cuando se utiliza para designar la administración de un Estado Miembro, o la administración responsable de una asignación analógica o una inscripción en el Plan digital, el símbolo SCG designa, con carácter provisional, la Administración de la República de Serbia. Sin embargo, la Administración de la República de Serbia ha indicado que es responsable de las asignaciones analógicas y/o inscripciones en el Plan digital que están localizadas en el territorio de la República de Serbia.

c) La repartición de las asignaciones analógicas y/o inscripciones en el Plan digital correspondientes al símbolo SCG (según su significado geográfico) entre los dos Estados independientes, es decir la República de Serbia, continuador de «Serbia y Montenegro», y la República de Montenegro, se efectuará conforme a principios geográficos después de la Conferencia.

NOTE 1 – Dans les présents Actes finals, le symbole SCG est employé avec les significations suivantes:

a) Lorsque le symbole SCG sert à désigner une zone géographique, celle-ci correspond à la totalité du territoire de l'ancien Etat Membre de l'UIT «Serbie-et-Monténégro», qui existait avant le 3 juin 2006.

b) Lorsque le symbole SCG sert à désigner l'administration d'un Etat Membre ou l'administration responsable d'une assignation analogique ou d'une inscription dans le Plan numérique, cette administration est, à titre provisoire, l'Administration de la République de Serbie. Toutefois, l'Administration de la République de Serbie a indiqué qu'elle est responsable des assignations analogiques et/ou des inscriptions dans le Plan numérique qui sont situées sur le territoire de la République de Serbie.

c) Les assignations analogiques et/ou les inscriptions dans le Plan numérique correspondant au symbole SCG (au sens géographique) seront réparties sur une base géographique aux deux Etats indépendants, à savoir la République de Serbie comme continuateur de la «Serbie-et-Monténégro» et la République du Monténégro, après la Conférence.

ПРИМЕЧАНИЕ 1. – В настоящих Заключительных актах обозначение SCG имеет следующие значения:

a) При использовании для обозначения географической зоны обозначение SCG включает всю территорию бывшего Государства – Члена МСЭ "Сербия и Черногория", которое существовало до 3 июня 2006 года.

b) При использовании для обозначения администрации Государства – Члена Союза или администрации, ответственной за аналоговое присвоение либо за запись в цифровом Плане, обозначение SCG указывает, на временной основе, администрацию Республики Сербии. Тем не менее, администрация Республики Сербии указала, что она отвечает за те аналоговые присвоения и/или записи в цифровом Плане, которые расположены на территории Республики Сербии.

c) Распределение аналоговых присвоений и/или записей в цифровом Плане, включенных под обозначением SCG (в его географическом значении), двум независимым государствам, а именно Республике Сербии как государству-продолжателю "Сербии и Черногории" и Республике Черногории, будет осуществлено по географическому принципу после Конференции.
