## ITU-R Working Party 5D

### **PROGRAM FOR WORKING PARTY 5D WORKSHOP ON “IMT FOR 2030 AND BEYOND”**

#### **Objective of the Workshop**

The objective of the Workshop is to provide Working Party 5D (WP 5D) delegates with an overview and help in the understanding of ongoing worldwide research activities and initiatives related to future mobile communications targeting 2030 and beyond. This Workshop will also assist WP 5D in the development of the new Recommendation addressing IMT for 2030 and beyond.

#### **Terms of Reference for Workshop**

National/regional/global research groups/projects or programs and other related organizations are envisaged to present their work and/or views on the future development of mobile communication systems beyond IMT-2020, targeting year 2030 and beyond. Particularly, members who are yet to become actively involved in the work in WP 5D are encouraged to present their views.

Their views, among others, on the following topics are appreciated:

- evolution of IMT for 2030 and beyond, such as application, technology and spectrum aspects;
- views on the future role of IMT in serving users and the society;
- usage scenarios for IMT for 2030 and beyond;
- capabilities of IMT for 2030 and beyond.

#### **Date**

The workshop will be held on 14<sup>th</sup> June 2022 during the 41<sup>st</sup> meeting of WP 5D to be held from 13<sup>th</sup> to 24<sup>th</sup> June 2022. The workshop is intended to be within one day. Depending on the interest, submitted presentations (around 15-20 minutes/presentation), and logistical arrangements, the duration may be adjusted accordingly.

#### **Workshop Organiser**

Organiser: Dr. Hakan OHLSEN ([hakan.ohlsen@ericsson.com](mailto:hakan.ohlsen@ericsson.com))

#### **Deadlines**

The WP 5D Chairman's Report of the 40<sup>th</sup> meeting solicits proposals on presentations for the Workshop. To prepare for the workshop at the venue, and to develop the detailed program, it is

requested that presenters wishing to make a presentation at the workshop send their intention and a draft presentation to the Organiser (see email address above, and include in the email header “[IMT Workshop]”) no later than 16<sup>th</sup> May 2022 (1600 hours CEST), which is four weeks prior to the start of 41<sup>st</sup> meeting of WP 5D.

All final presentation materials for the workshop should be submitted to the Organiser with the deadline being 6<sup>th</sup> June 2022 (1600 hours CEST), which is one week prior to the start of the 41<sup>st</sup> meeting of WP 5D.

### **Participants and Registration**

A separate registration for the workshop is NOT required for registered participants of the 41<sup>st</sup> meeting of WP 5D.

### **Language**

The workshop will be conducted in English only.

### **Additional information**

The workshop sessions Moderator will be the Chairman of Sub-Working Group Vision of WP 5D (Mr. HyoungJin CHOI). The additional workshop information will be provided and updated on the WP 5D webpage.
